Instead, they are choosing, the President is choosing, our adversaries, terrorists, and begging them to produce more when we can do it right here.

Instead of calling on the 10 million Americans who do it every single day, we are outsourcing production to adversaries like Russia, Iran, Venezuela, and they are harming our environment even more.

The war on Ukraine is horrifying, and it is heartbreaking. When I sat with President Zelensky, he said that the impetus to invade his country came from the fact that Nord Stream existed.

Our President green-lighted Nord Stream but canceled the Keystone pipeline. Right now, today, there are six LNG terminals that the President, with the stroke of a pen, could approve.

Are we going to pick the United States of America, or are we going to pick our adversaries?

The United States should not be energy dependent. We should be energy dominant. Put Midland over Moscow. Unleash American LNG. Restart oil and gas leasing on Federal lands, and protect our own country. Pick our country.

The SPEAKER pro tempore. Members are reminded to refrain from engaging in personalities toward the President.

Mr. MCGOVERN. Madam Speaker, the gentleman asked a question: Are we going to pick America or our adversaries? Interesting question. My friends on the other side have spent all of their time criticizing President Biden and very little mention of Putin. I think that says it all.

Madam Speaker, I reserve the balance of my time.

Mr. COLE. Madam Speaker, for further explanation of our energy independence bill, I yield 2 minutes to the gentleman from Oklahoma (Mrs. BICE), my very good friend and fellow Oklahoman.

Mrs. BICE of Oklahoma. Madam Speaker, I thank Mr. COLE for yielding.

I rise today in opposition to the previous question so that we can immediately consider H.R. 6858, the American Energy Independence from Russia Act.

Gas prices are at a record high, and unfortunately, they will continue to rise.

While the Russian invasion of Ukraine has worsened the crisis, it is not the sole cause. The root cause of high energy and gas prices is due to the anti-energy policies of the Biden administration, which suspended all oil and gas leasing on Federal lands, slow-walked liquefied natural gas exports, and halted construction of the Keystone XL pipeline while green-lighting Russia's Nord Stream 2.

These steps allowed Putin to corner the energy market and fund his invasion of Ukraine. American dollars can no longer go to countries whose interests run counter to America.

America produces some of the cleanest oil and gas in the world. If my colleagues on the other side of the aisle want to lower emissions and promote clean energy, they would rely on American oil and gas production in States like my home State of Oklahoma, not foreign countries like Russia, Venezuela, and even Iran.

Oklahomans are tired of inaction from Washington. They expect solutions. We cannot continue to tap into the strategic petroleum reserve, which is at some of the lowest levels since 2003. In addition, releasing 30 million barrels is only enough to meet our Nation's energy requirements for about a day.

Sadly, this week House Democrats are not bringing forward a single piece of legislation to address the energy crisis.

Under the Trump administration, America was energy independent and a net total energy exporter for the first time since 1952.

Madam Speaker, energy security is national security. Sadly, under this administration, we have neither.

Congress must act immediately to take up the American Energy Independence From Russia Act.

This legislation would promote America's oil and natural gas production and unleash American energy independence once again.

#### MOTION TO ADJOURN

Mr. HICE of Georgia. Madam Speaker, I move that the House do now adjourn.

The SPEAKER pro tempore. The question is on the motion to adjourn offered by the gentleman from Georgia (Mr. HICE).

The question was taken; and the Speaker announced that the yeas appeared to have it.

Mr. HICE of Georgia. Madam Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 173, nays 255, not voting 4, as follows:

PROVIDING FOR CONSIDERATION OF SENATE AMENDMENT TO H.R. 2471, HAITI DEVELOPMENT, ACCOUNTABILITY, AND INSTITUTIONAL TRANSPARENCY INITIATIVE ACT; PROVIDING FOR CONSIDERATION OF H.J. RES. 75, EXTENSION OF CONTINUING APPROPRIATIONS ACT, 2022; AND PROVIDING FOR CONSIDERATION OF H.R. 6968, SUSPENDING ENERGY IMPORTS FROM RUSSIA ACT

The SPEAKER pro tempore (Mr. CORREA). The gentleman from Massachusetts is recognized.

Mr. MCGOVERN. Mr. Speaker, let me just say to the Members that things are going exactly according to plan. Everything is beautiful in its own way.

In a few moments, I will withdraw this rule. It has been a long day, but we have some important work to do in front of us. I am excited about what we are about to do with the omnibus and the aid to Ukraine. We will finish it today. I feel pretty good.

We will reconvene the Rules Committee to report a new rule on the items before us. I expect the new rule to be on the floor pretty quickly. I hope we get bipartisan support for all these important measures. I don't have anything else to say.

Mr. Speaker, I withdraw the rule.

The SPEAKER pro tempore. The resolution is withdrawn.

## RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess subject to the call of the Chair.

Accordingly (at 2 o'clock and 56 minutes p.m.), the House stood in recess.

The Senate amendment and the motion shall be considered as read. The question of adoption of the motion shall be divided for a separate vote on all of the matter proposed to be inserted by the amendment of the House other than divisions B, C, F, X, and Z, and titles 2 and 3 of division N. The two portions of the divided question shall be considered in the order specified by the Chair.
